_____ SPAY/NEUTER PROGRAMS

_____ RESCUE ASSISTANCE FUND makes it possible to save animals by transferring them to rescue groups and larger shelters in more populated areas where they will be adopted. This fund also offers an incentive to non-profit animal welfare groups to accept animals with medical conditions, heartworm in particular.

_____ SHELTER ENRICHMENT FUND provides animals extra care and comfort. We are currently collecting funds to help build additions onto the shelter that will create functional work space for employees and improved housing for the animals, including separate spaces for puppies and kittens away from adult animals.
